GRASS ROOTS Ticket Scheme

Leicester City have decided to restart the Grass Roots Ticket Scheme for all schools and colleges. This means QE students can obtain cut price tickets for all Leicester City's home games this season. If you wish to purchase tickets please read the following:

A limit of 1000 tickets per game for Grass Roots Members allocated on a strictly first come first served basis. Tickets will be available in the Marks Electrical Family Stand and selected blocks in the West Stand only. Ticket prices remain unchanged at £14 for the Over 18's, £5 for the Under 18's and £3 for the Under 12's. The Under 8's will continue to go FREE in the Marks Electrical Family Stand.

When booking tickets through the Grass Roots scheme, there must be under 18's included in the booking as we are unable to sell tickets to adults only.

To book your tickets simply contact the Grass Roots team, either by visiting the Main Ticket Office in person, by calling us on 0844 815 5000 or emailing grassroots@lfc.co.uk

When ordering tickets simply tell them that you are a member of Wyggeston QEI College and the college will then receive £1 in return for every ticket ordered through the scheme.
